WESTLAW NEXT iPad APP

Tap into the world's most advanced legal research system wherever you are.

The award-winning WestlawNext® iPad® app gives you access to your research – anytime, anywhere. Even when offline, you can be productive by viewing and annotating documents. And when you reconnect, your annotations synchronize automatically.

It's free with your subscription, so enjoy all the features of WestlawNext – customized to your iPad.

WestlawNext features, customized for the iPad

- Run searches with WestSearch and filter the results
- Browse using touch-screen navigation
- Add notes and highlighting to documents
- Access KeyCite information, research history, favorites, and frequently used content
- Organize and share your research with folders
- Save, annotate, and view documents online and offline
- Included in your subscription using your WestlawNext username and password
